PREFACE

THE Alumni Office wishes to express appreciation for the splendid co-operation of the Alumni which made this directory possible. There can be no difference of opinion as to the wisdom of a new edition, with such additions and corrections as are made necessary from year to year.

Your co-operation will help to keep the Alumni Register up-to-date. If the data is not correct, please notify the Alumni Secretary. You are earnestly requested to communicate promptly any change of address or occupation as well as other corrections.

This edition is divided into four parts: the class list, the lost and deceased lists, the alphabetical list, and the geographical list.
